This year will be a historic election. Internationally, we are entangled with wars in Israel and Ukraine. At home, inflation and a disaster at our southern border have hurt America.

Here in Rahway, we have overdevelopment, sky high water rates, and a defunded, depleted police department.

The time has come to present the voters with a viable option to end one party rule and stand up for our families, friends, neighbors, and traditional American values.

February 22<sup>nd</sup> is also George Washington's Birthday. Let us remember our past as we fight for our future, together.
