

Rahway Republican Committee has committee seats open in sections of Rahway.

Are you interested in getting involved in your community?

Would you like to be part of the Rahway / Union County Republican Team?

Have a say on who your party selects as its candidates?

Or be a candidate for public office yourself?

We are a grass roots-based organization that has a proud history of citizen activism in the city of Rahway. For far too long, Rahway residents have not had a real voice in their local Government. There are no checks and balances.

The political machine that runs Rahway has manipulated the Rahway tax payers for decades. They have turned their backs on the homeowners in Rahway and concentrated on a “commuter only” agenda. All based on apartments and the Arts in the downtown.

This scheme has failed our property tax payers and underfunded our school system. The numbers speak for themselves, our taxes/ water rates/ parking fees/ permits are rising faster than inflation.

Our City leaders are not working for you, they are working for outside interests.

If you want to get involved and work for a “Better Rahway”, please reach out to our webmaster Michael Pakay:
