

Rahway Republicans Select New Leader

On January 21, 2024, the Rahway Republican Committee selected Maricela Escobales as its new chairwoman.

Mrs. Escobales, a wife, and a mother of two, has been active in Republican circles throughout Union County over the past several years. The new chairwoman volunteered for the Gubernatorial campaign of Jack Ciattarelli and Tom Kean's successful congressional race.

Mrs. Escobales takes the chair after Patrick Cassio stepped down from that post at the end of 2023.

Mrs. Escobales stated, *"2024 will be a historic election at all levels. The local GOP had an impact in both the 2021 and 2022 elections. The latter, gave Rahway its first Republican Congressman in 40 years."*

She went on to say, *"Rahway Republicans will continue to provide a voice on local issues of overdevelopment and sprawl, taxes, open air marijuana use, law enforcement, quality of life, education, and traditional American values."*

Upon taking the helm of the local Republican Party, Mrs. Escobales first order of business is to screen candidates for November's election. All six Ward Seats are to be contested.

After a disastrous pullout from Afghanistan which weakened America abroad to high inflation that costs all of us to an open border, it is time to Make America Great Again!
